

Dear valued customer,

It is our pleasure to introduce our new **Tiger Brand Quick Dry Fluorescent Paint FP-9000 Series (虎牌快干荧光漆 FP-9000 系列)** to your esteemed company.

Tiger Brand Fluorescent Solvent Based Paint is a quick drying coating. It is formulated with a modified synthetic resin which enhances the durability of the coating. Tiger Brand Fluorescent Paint provides highly visible, vivid and bright finishing. The best effect is obtained when applied on Tiger Brand Quick Dry White Matt Coating (QD-Matt-W6000).
